### **DETAILED ACTION**

This Office Action is in response to the Amendment filed on October 19, 2004. Applicant's cooperation in correcting the informalities in the Oath/Declaration, the abstract, and the specification is appreciated. Claims 4-10 were added.

#### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: None of the cited prior art alone or in combination teaches the claimed combination of a turbo charger control system including:

**" Regarding claim 1:**

*a control system for receiving information from the oil pressure sensor and providing an output signal to control operation of the electric motor when the oil pressure is below a predetermined level.*

**Regarding claim 4:**

*a control system operatively connected to the oil pressure sensor and providing an output signal to the electric motor to control rotation of the shaft based on detected oil pressure."*

#### **Conclusion**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
